

The Promise That's Changing Lives—And It Could Change Yours Forever Too!

I made a promise to ease financial burdens—one person at a time. Now, it's your turn to be rewarded.

September 17, 2024

Dear Grateful Giver,

The opportunity before you can transform your financial life forever. I come in peace—with love and a promise I made many years ago to help ease financial burdens. Let me tell you how it all began.

On Friday, July 13, 1984, on the beautiful island of St. Kitts, formerly known as Liamuiga, a young boy made a promise to his grandmothers before leaving for the United States: **“When I go to America, I will find a way to help the people ease their financial burden, one person at a time.”**

That promise was rooted in the love, care, and service they instilled in him.

For nearly two decades, that boy—now the founder of Liamuiga International Outreach (LIO)—has quietly fulfilled that promise, helping thousands across America and the world without seeking fame or recognition.

His dedication has delivered a simple, powerful truth: **everyone deserves a little help and a chance at a better life.**

Now, through the **Liamuiga Mutual Prosperity Giving Platform**, this promise is extended to

you. This is your opportunity to make a difference and have a shot at life-changing prizes.

What Makes Liamuiga International Outreach and Liamuiga Mutual Prosperity Giving Platform Different?

Real Transparency, Real Change.

At Liamuiga, your donation doesn't vanish. You'll know exactly where your contribution goes, whether you're supporting those in need or entering to win prizes that could transform your financial future.

Life-Changing Prizes Await You.

Imagine this: rent or mortgage payments for a year, a mortgage-free home, a dream car, student loan debt pay-off, or even financial freedom. And here's the best part—we cover the taxes, so your winnings remain yours to enjoy fully.

Every donation gives you a chance to win, but the biggest prize is the **real impact you'll create.**

Are You Ready for the Truth?

You've been giving generously, but are you seeing the impact? **Religion contributes \$1.2 trillion to the U.S. economy annually.** Faith-based institutions dominate in southern states, with 49% of Americans considering religion "very important."

Faith-based donations often vanish into bureaucracy, fueling excess rather than change.

According to **Giving USA 2023 Annual Report on Philanthropy**, religious organizations in the United States received **\$146 billion in donations**. The total charitable giving in the United States reached **\$557.16 billion**, but many people are left wondering: **Where did that money go?**

Many organizations fail to offer the transparency and accountability you deserve. It's time to WTFU: Wake "The Flock" Up and make a real difference—one you can see and trust.

At Liamuiga, we give you full control. You're not just a donor—you're the **Boss** of real change. Because **"I said, You are gods, And all of you are children of the Most High."**

You Deserve More Than Just a Tax Deduction

You deserve more than just a thank-you note or tax write-off.

At Liamuiga, your generosity is rewarded with the chance to win **life-changing prizes** and the guarantee that your donation is creating **real, tangible impact**.
